PROTECT YOURSELF

Here are 5 tips to help you keep your money safe and secure:

1
NEVER
give out your
PIN, credit card
number, account
number or
passwords.

2
NEVER
post personal
information
such as your
address, your
birthdate or
birthdates of
loved ones on
social media.

3
NEVER
respond to
unsolicited
emails or
websites that
request your
personal
information.

4
Destroy
all old and
expired
bank and
credit cards.

5
Review your
bank account
and
credit card
statements
promptly and
regularly.
