

## IF IT LOOKS TOO GOOD TO BE TRUE... IT PROBABLY IS!

You've won a lottery you never bought a ticket for!  
You've inherited money from a relative you've never  
heard about! You're offered an extraordinary  
upgrade to your mobile device, for FREE (just give  
them your credit card info to confirm)!

These are all schemes to make you divulge your  
financial information. Do not click unfamiliar links in your  
emails, and check the validity of websites by looking for  
the lock icon (🔒) in the address bar. Always verify details  
via a phone call or visit (if possible).

***Banks will NEVER send messages asking you to submit your card number and PIN or password via a link, to unblock your account.***
